

# FATIMA EZZAHRA KELLADI

## Full Stack Engineer

### Professional Profile

Fifth-year computer networks engineering student specializing in Full Stack development and cybersecurity. Passionate about technological innovation, designing secure and high-performance web and mobile applications. With strong skills in software architecture, cloud computing, and information systems security, I am rigorous, results-oriented, and able to lead technical projects involving performance, scalability, and security.

### Education

#### Engineering Cycle – Computer Science and Networks (MIAGE)

October 2023 – Present

Marrakech

*Moroccan School of Engineering Sciences (EMSI)*

Specialization: Software Development, Networks, Cybersecurity, Cloud Computing.

#### Specialized Technician Diploma

July 2021 – July 2023

El Jadida

*Applied Technology Institute Al Massira*

Specialization: Digital Infrastructure, Cybersecurity Option.

#### Scientific Baccalaureate

June 2019

El Jadida

*Ezzaytouna School*

Specialization: Life and Earth Sciences.

### Professional Experience

#### Intern – Full Stack Developer

July – August 2025

Muscat, Oman

*Almoftah Real Estate*

- Development of a full real estate management system with a modern and secure web interface.

#### Intern – Full Stack Developer

July – August 2024

Marrakech, Morocco

*Faculty of Sciences Semlalia (FSSM)*

- Design and development of a complete course management solution for the university.

#### Intern – Cybersecurity

April – May 2023

El Jadida, Morocco

*Autonomous Water and Electricity Distribution Authority (RADEEJ)*

- User awareness on cybersecurity best practices and information security.

### Academic Projects

#### Complete E-Learning Platform

2024

*Full stack web application with integrated payment system.*

*(React, Django, DRF, Axios, SQLite, Stripe).*

#### Cafeteria Management Application

2023

*Complete management solution with modern interface and REST API.*

*(React, Redux, Express.js, MS SQL Server).*

### Certifications

**Cloud Computing Fundamentals (Azure)**

**Azure Networking (Microsoft)**

**Containers: Docker, Kubernetes & OpenShift (Coursera)**

**React Basics (Coursera)**

**Introduction to Java & OOP (Coursera)**

### TECHNICAL SKILLS

**Languages:** Java, Python, JavaScript, TypeScript, C, C#, PHP, SQL, HTML, CSS

**Frameworks:** React, Redux, Django, DRF, Express.js, Node.js, Axios

**Databases:** SQLite, MySQL, MS SQL Server, MongoDB

**DevOps & Cloud:** Git, GitHub, Docker, Azure, CI/CD

**Tools:** VS Code, IntelliJ, Postman, Stripe API

### SOFT SKILLS

- Software Architecture
- Cybersecurity
- Agile Methodologies
- Problem Solving
- Communication
- Teamwork

### LANGUAGES

- Arabic Native

- French Intermediate

- English Intermediate

### INTERESTS

- Sports

- Music

- Cooking

- Travel
